4) It is seen from the report accompanying the estimate, that the original Estimate for the work was sanctioned for Rs 4600/ in August, 1942, the same was revised to Rs 4830- in January, 1945 The present modified estimate amounts to Rs 5280. representing an excess of Rs 450-

5) The main ground urged for the present modified Estimate is that the Contractor who executed the work has asked for the payment of the rates given to him for constructing the dry cattle Shed, as both the works were in progress side by side during 1944

6) It is not known if the Contractor had not executed the necessary agreement before the work was undertaken, and if so, why the terms of the agreement may not have to be enforced
